ALBANY, ALAMEDA COUNTY, CALIFORNIA FRIDAY, OCT. 27, 1944

NUMBER 4

ALBANY 'OVER THE TOP'
IN WAR CHEST DRIVE

The Berkeley-Albany-Kensington community War Chest campaign for funds to continue support of 43 home front and war related services, went over the top last week, surpassing \$290,000 goal by \$10,531, making \$300,531 or 104 per cent of the goal. The city of Albany topped its \$7300 quota with a \$8214.60 score or 113 per cent.

Dr. Vere V. Loper, War Chest president, and Campaign Chairman George G. Read paid high tribute to campaign workers who served as volunteers, carrying the Chest appeal to thousands of homes, offices and shops through this area. Albany's 113 per cent is expected increase with "clean-up" work, according to "General" Paul Bryan. Mr. Bryan stated that "words are most inadequate to give praise to many volunteer workers in Albany and the response of citizens to annual drive." Following are names of volunteers for the various districts:

Business District: Colonel George H. Felder, Fred Walters, Cecil Lavy, Max Etingoff, Oliver Nelson, Ben Bruce, Walter Teasdale, Curt Campbell, Ed Haran, Al Hackin and George Bernard.

City Employees: Colonel, Myrtle Lean.

Schools: Colonel; Donald Rowe; Charles Moore, Eugene Baker, Wilton Woolworth.

Western Regional Laboratory: Col. L. B. Blake, Mrs. Dorothy A. Smith, Mrs. Maxine A. Stark, Mrs. A. Crawford, Mrs. May R. Gibbs, Miss Helena A. Wood, Miss Irene Tellman, Mrs. Helen M. Macpherson, Hewitt H. Clark, Dr. Anthony Ambrose, Dr. Harold Lund.

Residential-District No. 50: Mrs. J. Honnert, Mrs. James Cambis, S. Rodney Miller, Mrs. V. Brown, S. Ida Shaw, Mrs. O. F. Jesper, Mrs. Arthur Maxam, Mrs. Errol Jones, Mrs. Ray Grinnelli.

District No. 51: Colonel Mrs. Bertiger and the Mesdames Nellie Staman, Freda Brown, Helen Rodner, Helen Meyer, Marjorie Noble, Be Hartley, Sally Sharkey, Roseley, Carolyn Morris, Norma Jelley, W. R. Robie, Irene Miller, Ann Spin, Nadine Riep, Thelma Young, L. Magazin, E. W. Lax, L. H. Ron, H. Weaver, Jack Hall, Hazel Duffee, W. Mardilla, Ruth Lomd, Esther Vervair.

District No. 52: Colonel, Mrs. Lila Le and the Mesdames C. A. Aus-W. M. Camp, Ernest Terry, Wilton Morrison, R. Moulthrop, Fred Holt, W. L. Kendall.

District No. 53: Colonel, Mrs. R. E. ne; Mesdames B. Murphy, N. F. a. Irene Finkhohner, A. Shell-M. F. Layton, Walter Paul.

District No. 54: Colonel, Mrs. A. gine; Mesdames W. R. Norin, F. rell, M. Perkins, V. Kenney, E. bli, Frances Conley, K. K. La-t, William Tarlton, L. Turnbull, Esperance, William Jones, B. stenson, A. Walhgrin.

District No. 55: Colonel, Mrs. O. Morris; Mesdames Walter Kees, A. Geisendorfer, H. R. Ten Brock, E. Atwater, Keith Burgess, A. J. n, Frisbie W. Munn.

General" Bryan also expressed eciation to Elmer F. Coble, ex-

Police Chief
Requests Sane
Halloween

Stanley C. Williams, acting chief of police, has issued a request to residents of Albany to give their usual cooperation in celebrating Halloween in a quiet orderly manner and to avoid destroying property, some of which, at even great expense, can not be replaced at this time.

On Monday and Tuesday nights, Picket and Halloween nights, a 9 o'clock curfew for all children under 18 will be observed. All children indulging in malicious mischief will be taken to the station to be called for by their parents or guardians.

Persons attending parties are requested not to wear masks in public en route to the parties or their homes. Chief Williams stressed these requests as "security for the public."

Cornell P.T.A.
Hear Mrs. Farwell

All members and friends of Cornell P.T.A. are urged to attend the November meeting of the unit to hear Mrs. Ivan Farwell, former instructor of parental education, discuss a particularly vital subject, "Home Stability in Wartime." The meeting will be held in the school auditorium, Thursday, November 2, at 2:30.

Vocal selections by Mrs. Richard Colicoff, talented local singer, will complete the program arranged by Mrs. Fred H. Werner, program chairman.

Competent girls will be on hand to care for pre-school children, and a playground director will direct outdoor activities for older ones.

Following the session an informal hour with refreshments and entertainment will be enjoyed in the cafeteria.

LADIES' AID SOCIETY
TO HOLD ANNUAL SALE

The annual Social and Sale, given by the Ladies' Aid Society of Grace Lutheran Church, will be held on Thursday, November 2, from 12:30 p. m. until 8:30 p. m. in their church at Santa Fe Ave. and Ward St. in El Cerrito.

A big day is being planned and all friends of the church in this district are invited to attend, and do their Christmas shopping. Refreshments will be served during the afternoon and evening.

Mrs. Wilfred Ziegenfuss, chairman of the affair, has promised a choice of many hand embroidered articles, including pillow cases, luncheon sets, towels and many novelties. A large assortment of aprons will be on display, as well as many tempting dishes on the food table.

SCHOOL EMPLOYEES
HONORED

Employees of the Albany Unified School District are the recipients of a handsome citation, awarded them for their efforts in the current community and War Chest Drive, by Maurice G. Read.

The drive, which was held Friday, October 20 went over the top for a total of \$881.50. The contributions of the Albany School employees exceeded their goal by 22 per cent. This was a greater contribution than was received by any of the other Bay Region Schools.

Executive secretary of the Albany Y.M.C.A. Center, who served as his aide, and in the board of directors for the use of the 'Y' building as War Chest headquarters.

Lisle Green,
City Pioneer,
Passes Away

Albany again regrets that it must chronicle the death of another pioneer—Lisle C. Green. Mr. Green passed away Wednesday, October 25, at the age of 66, at his home, 721 Talbot Avenue. He had been ill for a few months and had just celebrated his 66th birthday on October 16.

Mr. Green, who was born in Ackley, Ohio, had resided in Albany since 1906. He had played an important part in the development of Albany having served as city councilman from 1916 to 1924 and again from 1928 to 1932.

The popular and well known deceased had served as Albany's mayor from 1928 to 1930. He was one of the members of the first volunteer fire department and a director on the Park Board and Planning Commission.

At the time of his death Mr. Green was a director of the Albany Federal Savings and Loan Association of which institution he was a former vice president.

An outstanding achievement in Mr. Green's services to the community was his cooperation as one of the original founders of the Albany Community Church. His fraternal affiliations were his membership in the Rotary Club, the Acacia Club, Albany Tent of Maccabees, a member of Richmond Elks, Chambers Union Court of Foresters in Contra Costa County, and of Charter Rock Lodge, F. and A. M., in Berkeley.

He is survived by his widow, Mrs. H. Grace Green; one son, Lisle Robert Green; one sister, Miss Lorraine Green of White River Junction, Vermont, and a brother, Robert W. Green of Detroit, Michigan.

Special services were held Thursday evening at 8 o'clock by the Maccabees Tent 124, and again at 8:30 by Charter Rock Lodge, F. and A. M.

Funeral services were held today (Friday, October 27) from the Ellis Co. Mortuary at 2:30 p. m. with the Rev. Hartzell Buckner officiating. Interment was at Mt. View Cemetery. Acting as pallbearers were fellow members of the Albany Rotary Club.

OPEN FORUM

Presented here are questions received as a result of an announcement in the Times, regarding Proposal No. 1 to Section 37 of the City Charter. The answers herewith have been prepared by members of the local Post War Planning Committee.

1—Question: What is the present tax rate?
Answer: \$1.62 per \$100 assessed valuation.

2—Question: What would the tax rate be in 1945 if Section 37 was amended?
Answer: Based on the present \$1.62 per \$100 assessed valuation for 1944-45 the tax rate would be \$1.96 per \$100 assessed valuation in 1945-46.

3—Question: How much more would it cost the tax payer in 1945-46 on \$2000 assessed valuation?
Answer: \$7 a year or \$3.50 each installment, and \$70 for the 10-year plan.

4—Question: How long shall the special tax assessment exist?
Answer: 10 years after the charter amendment becomes law, unless sooner changed by appropriate vote of the citizens and ratified by the State Legislature.

5—Question: What will these additional funds be used for?
Answer: The proceeds of which (special) Levy shall be used exclusively for Post War Planning and this will include public works, buildings, grounds, and other capital outlays or improvements.

(b) And for the creation of jobs for the welfare of Albany's returning servicemen and women of World (Continued on Page 2)

MASS MEETING

All citizens, taxpayers and voters are urged to attend the city-wide mass meeting, which will be held next Wednesday evening, 8 P. M., at the Cornell School Auditorium.

It is believed that only at a round table open forum discussion, with questions propounded by the audience and answered by the civic leaders in attendance, can the proposal such as Albany Proposal Number 1 for Post War Planning be acted upon intelligently.

Go to this meeting . . . ask your questions . . . listen to those of others . . . and the answers . . . and then vote in the best interests of your city.

Marin Dads Club
Sponsor Annual
Halloween Party

The Marin School Dads Club is sponsoring its annual Halloween party for Marin School children next Tuesday evening in the Marin School auditorium.

Ed Howell will be master of ceremonies for the evening. From Albany High School will come a top notch Boogie Woogie Band and acrobatic dancers. There will be thirty minutes of spooky, witchy Halloween movies. After the movies will be a costume parade and all the youngsters participating will receive a candy bar.

The auxiliary police under Geoffrey Hanson will police the streets near Marin School to guarantee safe crossing for the children.

The doors will be open at 7:00 P. M. and the program will get under way at 7:30 P. M. All Marin School children are invited to this party.

Engineer Endorses
Proposal No. 1

In an effort to further explain the need of city-wide support of Albany Proposal Number One, City Engineer Ulric R. Grey today released a statement detailing facts regarding the proposed special levy from the viewpoint of his office.

Grey stated that "from the viewpoint of one who is expected to visualize and plan for the systematic and steady growth and development of the city in which he is engaged as engineer, it would seem quite proper and fitting that before one passes judgment on the provisions of Proposal No. 1, one should seriously and thoroughly consider the benefits that might be expected to accrue therefrom."

"It must be noted first of all that the levy is specifically and exclusively designated for Post War Planning and Development. That the end of hostilities will bring to the Pacific Coast a resurgence of the need for orderly development is too obvious for comment."

"With this demand," Grey stated, "is expected to arise a great deal of suggested State and Federal aid . . . in fact some 50-50 State Aid has already been offered for plans and surveys, and no one will deny that the receipt of \$2.00 for \$1.00 is good business in any man's language."

"Albany has more need and comparatively more room for development," he emphasized, "than any of its neighbors on the East Shore, but would be unable to take advantage of any co-operation coming its way if it had nothing to co-operate with, and, obviously, would be able to do nothing of itself, if bereft of funds."

He pointed out that Albany's public properties and functions, as have other communities, have suffered and deteriorated through lack (Continued on Page 2)

Eagles to
Celebrate
Anniversary

Bayview Aerie, Fraternal Order of Eagles, will celebrate the sixth anniversary of their institution on Saturday evening, November 4, with a dinner and dance at the Mira Vista Country Club.

The annual event, which this year promises to surpass any of the previous affairs is open to members of the Eagles and their friends, according to Karl Isakson, chairman of the event. He warned, however, that reservations should be made at once to insure accommodations.

The occasion will honor the past presidents of the local Aerie, Sam Locke, John McDermott, Charles Woodstock, Clyde Gordon and William Donahue. Don L. Erwin, heads the local order as Worthy President this year, with the membership during the past six years rapidly approaching the 500 mark.

Dinner is scheduled to start at 7 P. M. with dancing and entertainment to start at 9 P. M. Reservations for the evening can still be made by contacting any officer of the lodge or committeeman, Isakson said.

Committeemen assisting in plans for the party include Bill Yarnell, Harold Brothers, Bill Allen and Bill Minister.

Bryan Presents
Information on
Proposition No. 9

At the last regular meeting of the Board of Education, Supt. Paul C. Bryan presented information regarding proposition No. 9 which will appear on the ballot in November.

Supt. Bryan pointed out that approval of this proposition would be of particular benefit to the schools of the Albany Unified School District. It would furnish more state money to be used for additional services and for improving school facilities. It would also be important to this community because it would mean that this particular area, which has no large taxable industries, would receive a larger amount of the money derived from state taxes to help defray school expenses.

The schools at present receive only \$60 per pupil as a state allocation to grade schools toward the support of education. This amount was established in 1920 and during the past twenty-four years it has not been changed in spite of increasing educational costs. Since this amount does not meet the educational needs, it has meant that each local community has had to carry an increasing proportion of the costs. At the present time local taxpayers bear almost 57 per cent of the school costs. There are many new residents in California who have children in our schools but who are not home owners and who, therefore, only contribute to school support through the state income and sales taxes. Proposition No. 9 would divert some of this money to school support where it is sorely needed in order to meet the increasing burden upon local educational facilities.

The proposed change, which would be in the form of a constitutional amendment, would increase the allotment from \$60 to \$80 per elementary school student. In Albany, which has a Unified School District maintaining both elementary and secondary schools under one Board of Education, this would be especially beneficial since the additional money derived from the state sources would release an

FIREMEN NEEDED

Fire Chief Fred Pimental of Albany, again announces that the department is in need of more firemen.

The age requirements for the non-certified status permit men over the age of 35 to qualify and the pay has been increased.

The Fire Chief asks: "If you are eligible or even a bit interested, please get in touch with me at the firehouse, San Pablo and Washington, or information may be obtained at the City Hall."

Victory Carnival
Night for Maccabees
Saturday Night

The ninth monthly series, of which parties staged by Albany Tent 124, The Maccabees, from which all proceeds go to the servicemen's funds of the organization, was held Thursday evening.

Saturday night, October 28, Albany Tent will have a Victory Carnival night. Features of the evening will be dancing, various games and refreshments. A \$25 War Bond will be given to a lucky person besides many other prizes, which will be distributed during the evening.

Charles Wagner is general chairman of the evening. Reports are that the servicemen's fund is reaching the \$500 mark. Tent 124 has 32 members in the Armed Forces with 12 of them on foreign shores.

Admission for Saturday night will be fifty cents.

Marin P.T.A. Hold
Friendship Teas

On October 30 the final tea in the fall series of friendship teas for Marin School will be held for mothers of fourth grade pupils. This will be a "Victory tea" under the supervision of Mrs. R. J. Meyer for Mrs. M. Lawton, Mrs. S. W. Thompson for Miss Turner, and Mrs. G. McDonald for Miss Van Matre.

SIXTH TEA
The annual Friendship tea for mothers of sixth grade students was held on October 19. Large place mats and smaller ones for cups in the shape of oak leaves and colored fall colors, made by the sixth grade students, and orange pumpkins gave a festive air to the tables.

Mrs. G. S. Klarman, room mother chairman, welcomed the mothers and introduced Superintendent of Schools Paul Bryan, Night School Principal D. N. Rowe and Mrs. E. H. Schorsch, P. T. A. president.

Hostesses for the tea were Mrs. J. W. Brison, Mrs. E. J. Carter, and Mrs. E. L. Tognetti and assisting them were Mrs. F. Gray, Mrs. A. Nahmens, Mrs. T. Braidwood, Mrs. E. McConnell and Mrs. G. Petersen.

DRIVE WILL BE EXTENDED

Mrs. Alfred Paget of the Parent Teachers' Association, announced that the membership drive will be extended for another week at Albany High School. This is being done in order to give those a chance to join the P. T. A. who previously were unable to do so.

Equivalent amount of money derived from local sources. This money could then be used for improving the quality of instruction, obtaining additional teachers, and in reducing the size of large classes.

In the interest of education it is felt that now is the time to guarantee the educational rights of the children of our community by supporting Proposition No. 9. Approval of this measure will guarantee the future development of education in California by constitutional mandate and will provide the means of support by making available for educational purposes money which the state now collects through the state income tax and the state sales tax.

PLANS COMPLETE FOR
MASS MEETING NOV. 1

By CLYDE T. GORDON

Exchange Club
Members Set for
Annual Dinner

The Exchange Club this week honored the entrance to membership of two prominent persons, Emmett Devine of the Albany School and Recreation Departments, and Theodore Williams, who last year purchased the Valterra Poultry Store, Welcomed back at this meeting also was Sergeant Art K. Smith of the local police department, who has been in the hospital with a siege of poison oak.

Reports on prospects for the October 31 Duck Dinner were given by Dr. Bob Taylor and Earl Ivy. Not claiming any relationship to "Believe It or Not" Ivy stated his score at eight, while Dr. Taylor mentioned the figure two (2). However, members still seemed to be a bit skeptical about the number of ducks for this annual affair as Chief of Police Stan Williams did not accompany the party on this expedition. Even after Henry Villa denied that he started to "swim out after a duck" only to find it was a Pelican, members were reluctant to think "will we have to be satisfied with fish?"

Ed Haran was the recipient of many congratulations from fellow members when he announced the arrival of a nine pound 11 ounce daughter at his home. "It's a Girl" brand of cigars were passed out by the proud father and a bank account was started by the club for the young lady.

Entertainment for the evening was furnished by Councilman Larry Williams with a color film showing the laying of the Pacific Telephone and Telegraph cable from Hayward to Utah in 1942 for war uses. Williams explained his part in superintending and designing buildings to house the valuable equipment in the many climatic zones through which the cable crosses the vast area.

Felicitations were sent to Principal Milton Gordon of the Codornices Village School who was absent due to illness. The stag party, arranged by Ernie Somsa and Earl Ivy, which was to have been held November 7 at the Claremont Hotel, has been temporarily postponed. The November 7 meeting will be held at Helen's Kitchen and radio reports on the national and local elections will be reported between courses. The losing politicians are expected to pay for the dinner if sufficient honest voters can be determined. Ray Bugee blossomed out in one of his attractive Cravats which looked like an evening in Hawaii.

Jack Sloan, president, returned from Milwaukee, Wisconsin, in time to preside at this meeting. Jack had been in the Midwestern city attending an insurance men's convention and highlighted his serious report of the conclave with the fact that the beer and pretzel situation is well in hand, and that cigars are selling for 25 cents to \$1 and up.

Vernon Freeman of the police department and Dick McSheehy of the local fire department, were guests of the club Tuesday evening.

Dewey-Bricker
Headquarters

Headquarters of the Dewey-Bricker Committee of Albany have been established at 1127 Solano Avenue, corner of Kains. The headquarters will be open during the afternoon from 1 to 6 and evenings from 7 to 9.

Mrs. Lila J. Locke, chairman of the Dewey-Bricker Committee urges everyone to call at this headquarters for any information, assistance or campaign material needed in the furtherance of the election of this ticket.

Final plans have been completed for the mammoth city-wide mass meeting scheduled for Wednesday evening, November 1, at the Cornell School Auditorium. The mass meeting, which will feature a round table discussion of Albany proposal number one scheduled for a decision of the voters on November 7, has been set to start at 8 p. m.

Feature of this mass meeting will be questions and answers regarding the proposal propounded by the audience to a round table forum under the direction of the Albany post-war planning committee, officially designated by the city council, and consisting of the members of the city park planning and zoning commission together with several subordinate committee chairmen.

Sitting as a round table forum will be Mayor Bert E. Hill; Joseph Young, city attorney; Stanley Williams, police chief; Fred Pimental, fire chief; U. R. Grey, city engineer; Myrtle McLean, city clerk; Grace Higgins, city treasurer; Paul C. Bryan, superintendent of schools; Robert Larson, president school board; Harold Olson, chairman Citizens Committee; Ed Howell, Superintendent of Recreation; Beatrice Raymond, secretary-manager Albany Chamber of Commerce; R. F. Cleary, Frank Graeber, Frank Hays and Larry Williams, members of the city council and the members of the planning commission, Ernie Blow, chairman; William Garren, Robert McCullough, Carl MacWilliams, Police Judge Louis Hardie, Health Officer Dr. Robert McMahon, and Geoffrey Hanson, chairman of Veterans' Affairs, and Myles Perkins.

Representing the State of California, Assemblyman Gardiner Johnson, a member of the important State Planning and Development Committee, will present statewide plans for post war development and will explain uses to which state funds amounting to \$14,000 set aside for Albany, when matched by an equal sum by the city, may be put at this time. Johnson will bring to the meeting a wealth of information regarding plans being formulated throughout the state by other cities, Albany having been one of the first to plan to take advantage of this state program.

The proposed amendment, which will be the subject of discussion, will if carried favorably, increase by thirty-five cents per one hundred dollars of assessed property valuation, at an average cost to each home-owner of approximately \$5.00 per year over a ten year period. This special levy will raise approximately \$29,000 per year, which will, when matched by State and Federal appropriations enables the post war planning committee to make plans for civic developments, improvements, etc., badly needed at this time.

Local citizens, taxpayers and voters are urged to attend the mass meeting and come prepared with any question that may have a bearing on the proposed measure. Members of the post war planning committee point out that only by those interested attending and taking part in the round table discussion can the facts be brought out concerning the proposed measure.

SCOUT MOTHERS

A whist party held by Troop 46 Scout Mothers last Friday evening at the Recreation Center has been reported. "A most congenial occasion," according to Mrs. F. W. Triplett, president of the club. Members wish to thank local merchants who contributed prizes of cash and merchandise. First prize went to Mrs. W. L. Browning of 927 Evelyn Ave.

MOTOR Energizer

It's Sensational

It's New

It has long been known that if water could be injected in the proper state into an internal combustion engine that an increased amount of power and performance could be obtained.

In an article appearing in the "Wall Street Journal" of March 8, 1944 the above was verified and its practice has now become a reality in its use with airplane motors.

The new Motor Power Energizer for automobiles which is of recent development and is based on a purely scientific principle, revolutionizes the injection method of water for internal combustion engines. This apparatus was developed to give greater power, increased mileage, easier starting and smoother operation.

The Motor Power Energizer has made possible the use of lower grade gasolines, giving them anti-knock qualities that our pre-war gasolines were known to have.

Local Business and Professional Men Have This to Say About the Motor Energizer:

JIM DALY, 1075 Peralta, well known owner of Associated Service Station, San Pablo and Allston: "Remarkable performance; just as if I were using pre-war Aviation Ethyl."

DR. EUGENE DOSS, 1152 Solano: "I'm really thrilled with my Motor Energizer. My car starts easier and has a lot more power. When I step on the accelerator it really takes off."

MAX ETINGOFF, well known owner of the S. P. Corner Store: "I truly recommend the Motor Energizer to all my friends. My car performs better than when it was new."

DR. HERMAN E. WALLACE, Dentist, 917 The Alameda: "When I had a Motor Energizer installed in my car I made a good investment. My car starts quicker, eliminated the ping in the motor and improved my power tremendously."

OPEN FORUM
(Continued from Page 1)

War II.

6.—Question: What type of public facilities are under consideration by the Post War Planning Committee?

Answer: (a) Civic Center, to house all city offices, including fire, police, recreation department, street department, etc.

(b) Construction of playground on the west side of San Pablo Avenue and the improvement of present playground facilities.

(c) Construction of a recreation community center building, that will provide adequate facilities to house the Boy Scouts, Girl Scouts, Campfire Girls, Pre-School Play Center, and other civic groups under the direction of the City Recreation Department.

(d) Streets, sewerage and sanitation.

(e) Swimming Pool.

7.—Question: Is it true that State or Government funds may be available?

Answer: Yes, the State of California at present has allocated \$14,000 on a matched basis to be used for designing all Post War projects and the acquisition of land.

ENGINEER ENDORSES
(Continued from Page 1)

of maintenance caused by manpower and material shortages and the high cost of what was available. Normal new development, he further stated, has been out of the question.

Following the war, he continued, "the pendulum may swing the other way and an abundance of manpower may be available and in need. At such a time, it would be propitious to utilize the help at hand for mutual benefit, bring maintenance and improvement up to normal on the one hand and relieving a possible need on the other."

"In addition to such maintenance, a considerable amount of rehabilitation, extensions and additions are now due for many public facilities and here is where matching money would be most advantageous as well as for much needed new facilities that a progressive city requires as its growth demands."

Gray concluded his statement with the remarks: "The above little sketch, it is hoped, will explain why I believe that the best interests of Albany will be served by

NEW DAUGHTER ARRIVES AT THE HARAN HOME
Enthusiasm knew no bounds this week when Ed Haran passed out the cigars on which was imprinted: "It's a Girl." The source of this exuberance was the arrival of a nine pound 11 ounce "bundle from Heaven" by the name of Joy Louise.

When interviewed by a Times reporter at the Haran home at 103 San Carlos Avenue, the young lady sleepily said: "Don't bother me too much. I have just picked two of the grandest people in the world for my mother and father and I am too contented to bother with 'mere other folks'."

Needless to say we agreed at once with small Joy Louise for those two popular people, Ed and Lucile Haran who own the Albany 5c-10c-15c Store are two of the nicest people we know.

Telling others they are wrong is easy. Showing others what is right is harder. Nobody can give to others what he hasn't got himself.

Plastic Baths In Post-war Era?

L. Morgan Yeast, architectural editor of Small Homes Guide, raises the question on the possibility of prefabricated plastic baths in the post-war era with the presentation of this sketch in the current issue of the magazine. The walls would be composed of mirror-front cabinets with lighting coming through a frosted glass band in this row of mirrors. This bath unit would fit in a space 5 by 8 feet with the door in either of the two free sides.

OPINION DIVIDED

Approximately 50 per cent of the persons answering a questionnaire in Small Homes Guide said they wanted a first floor utility room instead of a basement.

T. ALBAN'S CHURCH

"The Humanity of the Church" will be the topic of the sermon by Dr. Randolph Crump Miller, of the Church Divinity School of the Pacific. The "Quiz Kids" session will be part of the church school session, which begins at 9:15 a. m. The October issue of FORTH, national publication of the Protestant Episcopal Church, carries the story of St. Alban's "vocational giving," attributing the leadership of Frank Billia, chairman of the building fund.

MARIN CUB NEWS

Cub Dens 1, 2, 3 and 4 held their semi-monthly pack meeting Friday, October 20, at the Marin School. A theater party has been promised for late December to include all Cubs who can boast of a perfect attendance record to date.

When the smoke of inspection scrutiny was over, Cub John Mooney had won the pack badge for personal neatness. Mrs. Frank Gray's Den No. 3 won their second successive pennant which is awarded at each pack meeting on the basis of den attendance, neatness and general appearance.

Achievement cards were turned in to Culmaster Crouse and from all indications a record group of Cubs will climb one step further up the ladder of scouting on October 27 when advancement ceremonies are held in the school auditorium.

Later, during the same evening, all Den Chiefs and Den Mothers met at the home of Mrs. Wakeman, 510 Carmel avenue, with several of the Cub committee members to discuss

SWAP AND SHARE...

We want to try out an idea in wartime service. We hope it will be helpful to many of our customers.

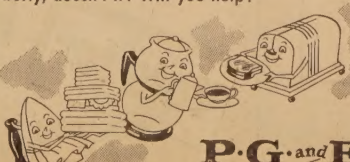

The plan is this. We have set up, in our local offices, an appliance clearing house service so that our customers can list any of their appliances which they are not using and do not need.

We also invite customers who desperately need certain appliances to list their requirements with us.

In this way, we hope to perform a worthy service by putting to those who are willing to sell appliances in touch with those who need appliances and are anxious to buy. After this, buyer and seller deal among themselves. The company serves as a free listing agency—nothing more.

Surely in many a home there is a good toaster, range, radio or refrigerator or other appliance tucked away in closet or garage. Somebody needs it and can use it. It sounds right neighborly, doesn't it? Will you help?

For Representation, Not Absenteeism -- ELECT

LIEUTENANT GOVERNOR

FRED HOUSER

U. S. SENATOR

Downey Misses Wartime Vote!
In striking contrast with Houser's know how record of being on the job and getting things done, the incumbent Sheridan Downey was absent on 52% of the wartime vote in the U. S. Senate. This means missing more than half the Senate votes.

As a colorful hard-hitting candidate for United States Senator, Fred Houser is winning strong Democratic and Republican support.

This "able dynamic Lt. Governor of ours," as Governor Earl Warren describes him, has demonstrated that he knows how to give the people of California the kind of representation they want and need in the United States Senate.

As a member of the State Legislature, Fred Houser supported defense measures and the war effort. He advocated progressive and liberal laws. He led the "Economy Bloc" to save the taxpayers \$200,000,000. He now pledges to bring about a sound business and industrial development in the post war era. He is a militant foe of bureaucrats.

The future of America is not so much a matter of how we vote as of how we live.

ZONING SYSTEM
The zoning system was established by Postmaster General Wall and has made it possible to employ temporary post office clerks and the Postal Service who can now handle mail that required trained employees of long experience before it was put into operation.

California Women!

"The U. S. Army Medical Department urgently needs you now"

MAJOR GENERAL NORMAN T. KIRK
Surgeon General U. S. Army

If there burns within you a sincere desire to do something active and important to help win the war, here is your opportunity. Join the WAC—serve in the Army Medical Department, where women are vitally needed now. You can help bring the war to a quick, successful end. You can help bring our loved ones—your loved ones, perhaps—home sooner. And you can learn a valuable technical skill that may be the foundation of a career after the war.

With the biggest battles of the Pacific still ahead, the West must take a still more active part in the war. You are needed here, in Australia perhaps, or elsewhere behind battlefronts, to give our men the needed attention. The care and rehabilitation of the sick and wounded is a woman's noblest work. Get into it if you can. If you are between the ages of 20 and 50 and have no children under 14, or other dependents, call the nearest U. S. Army recruiting station 2480 Bancroft Way, Berkeley, Calif.

GREYHOUND SERVES, TOO

Greyhound is happy to publish this message throughout the West for the WAC. We are in war work, too—providing transportation for them and other branches of the Armed Forces . . . aiding in troop movements . . . transporting wounded . . . at the same time carrying on an essential service for the traveling public. And Greyhound is looking ahead, planning for a finer, larger, better highway travel service when the war is won.

SERVING THE NATION WITH DEPENDABLE TRANSPORTATION

MR. ROOSEVELT PLEASE EXPLAIN

WHY— the men charged with responsibility for the Pearl Harbor disaster have never been allowed to speak?

WHY— after spending 58 billion dollars, the New Deal still had 10 million unemployed in 1940? (AFL figures.)

WHY— from 1937 to 1940, the U. S. State Department authorized the shipment to Japan of 8 million tons of scrap iron and 220 million dollars worth of oil for war against China?

WHY— has there never been a report to the American people on the "agreements" made with Russia at Teheran?

WHY— have you never stated your attitude on the notorious Kelly Democratic machine in Chicago, the Hague Democratic machine in New Jersey, and the Prendergast Democratic machine in Kansas City (where Harry Truman was hatched)?

WHY— in January of 1940, did you refer to Thomas Dewey's insistence on a two-ocean Navy as "just plain dumb?"

WHY— with our men already fighting on German soil, is your cabinet still squabbling about how to control defeated Germany?

WHY— have you forced wartime strikes by allowing the War Labor Board to pile up 22,000 undecided disputes?

VOTE NO on 12

Some of these days G. I. Joe will
be coming home. He'll want a
job—and peace. We can help
him by voting NO on No. 12,
"Right of Employment," Novem-
ber 7. This proposition attacks
trade unions and threatens G. I.
Joe's right to work. It would
invalidate agreements between
management and labor. It would
interfere with the war production.
It would bring chaos, confusion,
industrial strife. It would lower
the American standard of living
in the post-war era. Protect G. I.
Joe's right to work.

Vote NO on No. 12

Can We Have Both PEACE and JOBS?

That's What Millions Now in
War Work Want to Know

NO says Roosevelt

He says it by his record. In all the peace-time years of his adminis-
tration there were always more than ten million unemployed. He says
"no jobs" through his Director of Selective Service, who stated that
it would be cheaper to keep men in the armed services than to set up
an "agency" to care for them.

YES says Dewey

He knows that business and industry will maintain employment IF
unhampered by restrictive, communistic measures, IF not throttled
by ruinous taxes... taxes used to support the countless, useless bu-
reaus inflicted on the country by the New Deal. That's why thinking,
patriotic Democrats, who love not only our country but our party
as well, now call ourselves—

DEMOCRATS FOR

DEWEY

This Advertisement Sponsored by The

CALIFORNIA ASSOCIATION of AMERICAN DEMOCRATS
604 Easton Building OAKLAND Telephone Higate 8784

COMMUNITY CHURCH

Marin and Stannage Aves.

Morning Worship 11 a. m. "How
Jesus Treated His Friends," will
be the subject of the sermon of
Hartzell E. Buckner, pastor. Spe-
cial music by the choir with Mrs.
Claire McGaw, director. A nursery
for little folks under 6 years of
age is being started. It will be in
the gym. Bring your children to
the side door on Stannage Ave.
The children from 6 to 12 years
attend the first part of the service
and then retire for a story hour.
Church School at 9:45 a. m.

HOME DECORATION CLASS

Preliminary meeting for the pro-
posed class in Interior Decoration
(Beautifying the Home) will be
held on Wednesday, November 1
at 1:00 p. m. in the teachers' lunch
room at Cornell School, 919 Corn-
ell Avenue. Mrs. Louise Ham-
mond, who is to be the instructor

of the class, will be present to dis-
cuss projected plans for the class
meetings. Interested women are
invited to attend this meeting to
discuss particular topics which they
would like to have included in the
program of the class. This class is
to be sponsored by the Parent
Teachers' Association of Cornell
School. Mrs. Charles Jurgensen,
President; Mrs. L. H. Burman,
Parent Education Chairman.

IRENE DANCE STUDIO

THE way we Californians vote
on Proposition No. 12 will determine
whether G. I. Joe comes home to job
security or will be forced to fight to win
it once again.

Only by voting NO can we make sure
that a decent job — at decent wages —
awaits his homecoming.

For the dark and sinister purpose of the
sponsors of No. 12 is NOT to give men
the right to work — which they already
have — but to destroy organized labor
in California.

Such sabotage, which ultimately will
bring starvation wages, will have a disas-
trous effect upon every individual, every
business, every community in this state.

For there can be no general prosperity,
no orderly conversion to peacetime pur-
suits, unless there are decent jobs, at
decent wages, for returning service men
and for their brothers here at home.

That is why civic, religious and industrial
leaders, professional men and women,
state, city and county officials, chambers
of commerce and farm groups join with
organized labor in urging you to go to
the polls November 7 and vote NO on
Proposition No. 12.
